

## LPNA Board minutes

October 12, 2017

### A. Trees and Benches for LP Park (\$2,200)

Greg and Herb will connect with Our City Forest (Riley). Trees are approximately \$80 each, but we also have to pay for labor. The best time to plant trees is in November. We are still looking for the best trees to plant. LPNA is responsible for keeping the trees watered for the first two years. Harvey will work on securing the benches.

### B. National Night Out (\$1,500)

Karen will partner with Greg to work on the paperwork required. The following is a list of who will connect with whom regarding the National Night Out (2018):

- Barbara: Premier One sponsorship
- Harvey: Costco and southern county Real Estate Association
- Karen: Angie Coke for the jumpy House
- Greg: Flames

To help encourage the sponsors, LPNA can note:

1. Put the names of all the organizations that help sponsor on the flyer
2. Recognize them in the newsletter
3. Offer them a table to showcase their business

\*\*National Night Out is covered by \$1 million insurance by San Jose State

### C. Neighborhood Mixers (\$200)

- a. LPNA will partner with Frank to provide refreshments at the X-mas tree mixer.
- b. Angie Coke will provide the bouncy house and we are looking to have two provided, one for the small and one for the big kids.
- c. Amy will connect with Barbara Buchanan to see about hosting a Mixer in spring.
- d. Greg will connect with Robert Lombardi.

### D. UNSCC dues (\$200)

- a. Barbara has already paid dues for this upcoming year and that was covered by the Grant money.

### E. Art Boxes (\$900)

- a. LPNA is working on two of these. Designs and artist to be determined.
